Dear Mr. Brauner:-

Thank you very much for your letter of October 21st.

We already knew, of course, that our signal strength was greatly increased locally and we have had numerous reports of increased coverage throughout California, but the information contained in your letter is very interesting from the standpoint of real DX reception.

We hereby verify your reception on the morning of October 21st and invite further comment from you at any time that you are able to pick us up.

Sincerely yours,
