Dear Mr. Brauner;

It is a great pleasure to QSL your report of reception of special DX broadcast for the National Radio Club on February 20, 1949, at 0200 to 0300 PST.

Your report is correct as checked against our logs.

At the present time we have no regular QSL cards so we are verifying with our letterhead.

We appreciate your FB report which was very interesting, and hope to have your audience many times in the future.

Yours very truly,

Robert K. Cobb
