"THE VOICE OF THE ORANGE EMPIRE"
SANTA ANA · CALIFORNIA

September 28, 1949

Mr. J. W. Brauner,
23 Howard Avenue,
Williamsville, N.Y.

Dear Mr. Brauner:

This is to verify, with pleasure, your report of reception of this station on the night of September 23, 1949, PST, as described in your letter of September 24.

As you may know, we do not verify reports of reception unless we have proof in the way of a mention of some item that could have originated only at this station, not including station identification or slogan. Your report leaves no doubt that you were listening to KVOE with your mention of the football game, address of the sponsor and other details.

It is exceptional in this day and age to receive such a report considering the number of stations on the same frequency. Thanks very much for your interest. Your report also has a technical value in that your mention of "not quite so strong as the average 1000 watts coast signal" bears out our directional antenna projection. The 1000-watt signal in your direction is somewhat reduced.

Again, thanks, and hope to hear from you again.

Cordially,

Wallace S. Wiggins
