Dear Mr. Brauner:

This is to answer your report of reception of the night of December 8, 1951. As usual, 'ole Dave' is late getting off the answers. (Check back in your files, I think you will find a 'verie' from Radio station K I B E of Palo Alto, Calif. signed by me, while I was chief down there.)

Have received 2 (two) letters concerning the test of that night. yours and one from Randy Hunt of Leucadia, California. All info checks so this will verify.

Glad to hear from you again, different circumstances this time. Gota good transmitter hearr... don't HAVE to test so often as I did at K I B E?????. You were lucky, since have not established any regular procedure so far.

Thanks for your letter, and best of luck in future DX'es.

Dave
