Dear Mr. Brauner:

Thank you for your very fine report of our recent DX program for the NRC and this letter is to verify your reception of same.

We enjoyed putting the program on and have had some very fine reports from the east coast. In fact, we have had many more reports than we expected to get from the east, since our directional west setup isn't conducive to good listening there.

Thanks again for the fine report and best wishes.

Yours truly,

Paul Spargo
