Dear Mr. Brauner:

We wish to verify your reception of our high fidelity broadcasting station W6XAI on December 18, 1934. W6XAI operates on a frequency of 1550 kilocycles with 1000 watts power.

At the present time we are having verification cards printed and just as soon as these cards are off the press we will mail you one.

We thank you for your communication and interest.

Yours very truly,
PIONEER MERCANTILE CO.
