Mr. J. W. Brauner,
17 East Spring Street,
Williamsville, New York.

Dear Mr. Brauner:

This is to thank you for your interesting letter, and to verify your report on reception of this station under date of December 4, 1933.

The program which you heard was from Tivoli Terrace Night Club, on our station by remote control, and was on our late broadcast from 12 Midnight until 1 A.M. MST.

Our best programs, which originate in our own studios are usually broadcast between 7:30 and 9 P.M., and as you say are a better standard for judging our programs.

We appreciate your very complete and clear verification, and hope to hear from you again at some future date.

Yours very truly,

KFXF BROADCASTING STATION
