Dear Sir:

Your letter of the 21st was received, and we appreciate your report of reception made on that date.

During the past 4 months the writer has been out of town constructing KIDW at Lamar Colorado, and correspondence here has suffered some. It seems to us that some letters were received from you before in which you took us to task about not answering your letters. If this is so we are very sorry, and hope that we can take care of all correspondence in the future.

However, we would like to mention that on the morning of October 15th at 4:30 E.S.T. this station will be on the air in a little dx program arranged for the Transcontinental DX club and if it doesn't interfere with their schedule K I D W at Lamar Will go on immediately following our program. We hope that you will be able to pick it up, and feel sure that you will.

Thanking you very much for the repeated interest you have shown in writing us, we are

Yours very truly
RADIO K G I W
