Mr J.W.Brauner  
23 Howard Ave.  
Williamsville 21,  
New York N.Y.

Dear Mr Brauner:

Sorry for the delay in answering your letter of August 12th, but am very glad to verify your report of my frequency check of August 12th as correct.

These reports are very much appreciated, and hope to have a DX program for all DX listeners sometime this winter.

Wishing you the best of DXing and the best of luck,

Sincerely

Lloyd L. Wilson  
Chief Engineer.
