J. W. Brauner
17 E. Spring Street
Williamsville, N. Y.

Dear Mr. Brauner:

Thank you kindly for your very complete report on the reception of our station. We were particularly interested to know that your reception was so improved during the hour of sunset.

We have recently installed a new Western Electric 5 KW transmitter which we operate on 2500 watts daytime and 1000 watts night.

Consider this letter a verification of your excellent report.

Very truly yours,
STATION W D R C
