Dear Mr. Brauner,

Thank you very much for your report on reception of our
DX programme of March 1st. Our official card of verifi-
cation is enclosed herewith.

It was unfortunate that reception conditions were not
better than they were on this occasion, but it has
usually been our luck to strike these conditions on
almost every occasion on which we have broadcast a
special programme of this nature.

I might say that it was a pleasure to cooperate with
the National Radio Club and present this programme for
the benefit of all DX'ers. We have received many
letters and are most appreciative of the interest that
has been evidenced.

Kind regards.

Yours for VICTORY,

NORTHERN BROADCASTING CORPORATION LTD.
