Dear Mr. Brauner:-

We were very pleased indeed to receive your letter of September 14th, commenting on your reception of C K L C and are glad to be able to verify your reception.

I believe that this is the first time that we have had a report in from the vicinity of Toronto. We have had several reports from Southern Illinois and the territory around Philadelphia, Boston, New York and the Eastern Coast, and we appreciate very much your courtesy and the information which you are able to supply.

You were listening to a special test program coming from the station studios at Red Deer, Alberta.

Yours very truly,

J. R. FOSTER

MANAGER C K L C.
