

CHUB

HUB OF THE ISLAND

Nanaimo, B.C.

December 28, 1950.

Mr. J. W. Brauner,
23 Howard Avenue,
WILLIAMSVILLE 21, New York.

Dear Sir:

I wish to thank you for your report of reception from this station. The information you gave is sufficient to confirm the fact that it was CHUB to which you listened.

This station is a privately owned, independent company with no network affiliation. We are presently operating with 250 watts output on 1570 Kcs. In the near future we hope to increase our power to 1000 watts, and change frequency to 1480 Kcs.

Our ground system consists of 120 copper radials buried in swampy soil. Our radiator consists of a 296 ft. guyed steel mast operating omni-directional.

We are enclosing for your perusal a copy of "What's What" a bi-monthly pamphlet.

Thanking you for your interest and wishing you the Compliments of the Season, I am

Yours sincerely,

Thomas S. Walsh
THOMAS S. WALSH,
CHIEF ENGINEER.
