Dear Mr. Brauner:

It was very kind of you to write us such a nice comprehensive letter and it was with no small degree of satisfaction that we learned that this station was heard with such good results in your famous Eastern state.

The writer is sorry that you were never able to pick up Ten AY, having been associated with that amateur station until the opening of the larger, commercial station. Ten AY is no longer on the air, having taken its bow on the inception of CKOV.

It gives us much pleasure in verifying your reception of CKOV's Dec. 27th. broadcast and, for your information, please be advised that we are on the air with a late program every Thursday and Saturday night of each week from midnight until 2 A. M. Pacific Standard time.

Kindly accept our thanks for your good wishes and regards and allow us to return the compliments to your good self. We trust that if you are listening in on CKOV again in the future that you will enjoy the program coming from this orchard paradise of B.C.

Yours very truly,

*J. W. Browne*
