Dear Mr. Brauner:

Thank you very much for your letter of February 16th. We are receiving quite a number of letters indicating reception at very remote points which is very gratifying.

Your reception report is quite correct and our announcer is always pleased for having been picked up at such odd hours.

We are on the air twenty-four hours daily except 5.00 A.M. to 9.00 A.M. Sunday and from midnight Sunday to 6.00 A.M. Monday when we are shut down.

We operate continuously on 5 kw. on a directional pattern with the major lobe to the North (10°).

Thanking you again for your report, I remain

Yours sincerely,
