Dear Mr. Brauner:-

Just a hearty hello for it seems like hearing from a long-lost boy to receive your letter. Although I am not connected with CJLS at the present time- having my hands full with the big celebration we are preparing for,- I do thank you for your fine letter and report on reception, not only for myself, but for our dandy little station. I assure you I am quite proud of it, and hope to see better things come from it in the future.

The Dx programs this year- for the NNRC- originate with the 175th Anniversary Advertising Committee, and I assure you we are getting our money's worth in responses. It has been a real pleasure to work with Bill Applegate, and around here the NNRC can ask for most anything they want and get it.

Incidentally, I have invited the NNRC to hold their Convention here this summer, and extended a personal invitation to every member to visit us, one way or another.

I might advise that you listen in the 5th of April, when I will have our local band (Yarmouth Military) **thirty-six pieces-** on the air in a concert program for the NNRC. I fancy that will climax my efforts with local talent.

I have on one or two occasions, said hello to you during these programs, and asked if you were sick, sore or lost, but I see from your letter that you were busy and I'm glad to hear that you are. I have passed along your thanks and regards to all the talent, and they all send -with myself- greetings, thanks and best wishes, and- hope we may have the pleasure of a visit from you sometime.

Cordially yours,

Kieran Kelly
Executive Secretary.
