The following is clipped from a letter received from J. W. Brauner, of Syracuse, N.Y., in regard to the last broadcast, and speaks for itself as to the reception of this distance.

"I certainly enjoyed your program this morning, you had one fine bunch of artists present, the first group I heard was the Hawaiian trio who opened a group of selections with "Hila March" at 1.15. I also am addicted to old time music and your old timers were very good, so naturally I enjoyed their portion of the program. I wish I could personally thank the tenor who sang "Moonlight on the Colorado" and "When It's Spring-time in the Rockies."
