Dear Sir:

Thank you for your most welcome report on Canada's first hi-fidelity broadcasting station. This letter will serve as confirmation of your report of reception of CFJB on the date referred to in your letter.

CFJB, located in Brampton, transmits on an authorized power of 250 watts with an omni-directional antennae system. We went on the air for the first time with our official programming at 7:45 A.M., December 23rd and we operate from sun-up to sundown - Canada's second station to do so.
