Dear Mr. Brauner:

Thank you for your letters of January 4 and 7.

While we do not keep a music log, I think it's safe to say that it was Radio Station CFTJ that you picked up, and I am very pleased that our 250 watt signal is going as far as it is, especially with WBT on 50 kilowatts being on the same signal. You are probably aware of the fact that we changed our call letters from CKGR to CFTJ.

Thanks again for your interest, and your comments. Best regards.

Sincerely,

John V. Evans
