Dear mr. Brauner,

I like to thank you very much for your interesting reception report and for the time you took out to write it .

We appreciate it very much and are always glad to know how our signal is making out outside our listening area.

Included find a market report which certainly will give you a fair idea about the coverage and field strength.

Hoping that this information will meet your desire

I remain yours truly

G.v. Amelsvoort

Chief engeneer.
