J. W. Brauner, Esq.,
17 Spring Street,
Williamsville, N.Y., USA.

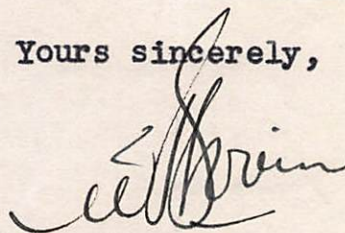

Dear Mr. Brauner:

Delighted to receive your letter of August 14th, telling us of your reception of our signal, on the same day. CJBQ took the air August 12th, and we are operating under the power of 250 Watts, without benefit of limiting amplifier, at the moment.

Yours is a most interesting report. Sorry that we have no QSL cards, but this letter will verify your pick-up. 7:30 p.m. is our regular sportscast.

Good listening.

Yours sincerely,

W. H. Stovin,
Manager.
