Dear Mr. Brauner:

I received your report of reception of our special DX program of 9-23-44, and I am very pleased to send this letter along to you as a verification of your reception of Radio Station CJRL, Kenora, Canada.

You sent in a swell report, in fact one of the best, and it was very helpful and encouraging to me.

I received quite a number of other good reports and I will again be dxing a program for the National Radio Club on Monday morning, November 27th-44 from 3.00 to 5.00 AM Eastern War time, so I hope you'll be listening.

My best wishes to you and all the members of the National Radio Club.

Yours sincerely,

*Terry Sands*

Chief Engineer-CJRL-Kenora-Can.
