Dear Sir:

We have your letter of February 4 confirming reception of this Station.

Your identification was correct and our engineers were gratified with the quality of reception. Under no consideration would we make any charge for recognition during testing, and therefore, return your remittance.

We trust we will contact you frequently in the future and that you will notify your friends in your district of the presence of this station on the air. We are on 1420 kilocycles with 100 watts night time power and 250 day time power.

We thank you for the courtesy of your reply.

Yours truly,

General F. Bowke
Manager.
