Williamsville 21, N. Y.

Dear Sir:-

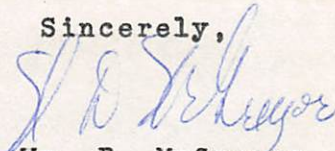

Thank you for the very detailed and useful
reception report you sent.

Since we are directional and so close to the
station we are protecting, we appreciate hearing from
a competent observer on how the protection is working
out.

Our transmitter is located on an island
south of Toronto as our letterhead shows. The CKFH
schedule is 24 hours a day leaving the air Sunday Morning
at 2 AM, returning at 8 AM Sunday.

Again sincere thanks for a helpful report.

Sincerely,

Wm. D. McGregor,
Chief Engineer,
CKFH.
