Dear Mr. Brauner:

I thank you very much for your letter of October 22nd in which you mentioned the programs you heard from CKGR, Galt, Ontario. I wish to confirm that what you mentioned came from CKGR, The Voice of the Grand River Valley.

Our station is a 250 watt local station at 1110 kilocycles. We operate from dawn to dusk and have a guaranteed reception radius of approximately 50 miles, although we have been heard in Ottawa, 365 miles away and as you mentioned, Buffalo, also a considerable distance.

Once again thank you and I am always pleased to hear from members of The National Radio Club.

Yours very truly,
