1270 KC - 1000 W

Alma, November 5, 1953.

Mr. J. W. Brauner,
23, Howard Ave.
Williamsville 21.
New-York, USA.

Dear sir:-

I was very please to notice that our station CFGT can get listeners from such a distance.

On Friday October 30th, you were tuning our station which was on test at 4.45 am E.S.T.

You did get our call letters CFGT but what you though to be "Alma Allesion" was "Alma Lac St-Jean".

The tunes you mentioned were exactly "MY Happiness" and "That's the time I'll come back home to you".

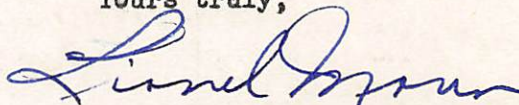

At 4.54 am, when you though the announcement was C... followed be the call letters, it was "Ici, CFGT".

According to your specifications and your location, we should pretend that our signal is quiet good.

I must tell you however that, starting a week or so, our coverage will be directional in order to protect any other station Broadcasting on the same frequency 1270.

Thanks for having written and I hope you will keep sending us more reports if you can tune again CFGT.

Yours truly,

LIONEL MORIN, manager,
Poste CFGT - Alma
(Radio Lac St-Jean).
