Dear Mr. Brauner:

It was indeed good to receive your letter of December 16th, and I was glad to know you had heard us on the Relief Broadcast. The contents of your letter were not only very interesting but will be very helpful to us and we are very much obliged to you indeed for taking the trouble to write. You might be interested to know that the pick-up for this broadcast was identically the same for both stations, being supplied by the Telephone Company.

May I take this opportunity to reciprocate your very kind wishes for the New Year. and trust that we will be hearing from you again at the DX on January 6th.

Yours very sincerely,
