Williamsville, N.Y.

Dear Sir:

We are pleased to verify your report
of transmission of April 10th, 1932 on
Transmitter CMAF - 680 Kilocycles
whose call letters were formerly CMDC.

We regret that the organization of
Station CMDC was such that a good many mistakes
were made in verifying reports.

Station CMAF has been re-organized and
we believe it is being run in a more efficient
manner.

We trust that you will pardon our tardiness
in verifying your report.

Very truly yours,

INTERNATIONAL BROADCASTING CO.
