Dear Mr- Brauner :-

By now you may know that Radio Station CMCO was closed by the Government, as they have not sent you their verification card.-

I happen to have a record of all those who wrote reporting correctly CMCO's DX broadcast of 20th. September 1934, so on my private paper take great pleasure in VERIFYING your reception of this station's DX broadcast.-

Thanking you for having written and hoping you will excuse this delay, but as you will understand, it was completely out of my power.-

Yours very truly,

ALEC KINGHORN
