Mr. J. W. Brauner,
Newark News Radio Club,
17 E. Spring St.,
Williamsville, N. Y.

Dear Sirs:-

In reply to your letter of January 5th, etc. We expect to begin test operation Tuesday morning the 26th.

Our equipment is Western Electric throughout with the Truscon vertical radiator. Our transmitter is type 23 A, this is the new Western Electric high-fidelity set. Our speech equipment is the companion unit of the 23 A transmitter.

Our proposed regular operating schedule will be from 7 a.m. to 9 p.m. beginning February 9th.

Any reports on these tests from the members of your club will be greatly appreciated.

Very truly,

Bradley Overton
