Dear Mr. Brauner:

We are happy to verify your report of reception of Station WGBS at 5:45 PM, EST, October 27, 1945.

WGBS, an affiliate of the American Broadcasting Company, is owned and operated by The Fort Industry Company. We are on the air daily from 6:30 a.m. to 1:00 a.m., and Sundays from 8:00 a.m. to 1:00 a.m.

The Station operates on an assigned frequency of 710 kilocycles, 10,000 watts, day and night. Doubtless you lost our signal when we went directional at sundown.

Our studios are located in downtown Miami, but our transmitter is some 33 miles northwest of Miami, outside Fort Lauderdale, Florida.

Your detailed and interesting report is indeed appreciated. '73's.

Sincerely,

*Lois Jordan*
