AFFILIATED WITH THE COLUMBIA BROADCASTING SYSTEM

September 15th, 1944.

Mr. J. W. Brauner,  
17 Spring St.,  
Williamsville, N. Y.

Dear Mr. Brauner:

Thanks a lot for your detailed report of reception of WINK on Sept. 11th 3:55 to 4:05 A. M. WINK is not a new station --- it was formerly WAAC and call letters have been recently changed.

As for spoken words and letters with recordings you are correct to the last item i.e. the business about "Tea for Two" -- Since I was the announcer--- Not supposed to be an announcer but have to put on the Freq Check. Get up in sort of a fog on those mornings and anything can happen. ---- By the way we have been reported in New Guina and Austrailia. ----

Hope this meets with your approvañ and will give you something for your files.

Sincerely,

H. E. Ritchey  
Chief Engr.
