Dear Mr. Brauner:

Your letter of December 12, received,
for which we thank you.

It is indeed gratifying to know that
our listening audience can cover such a vast and
far-reaching area.

Of course, our time for going on the
air is 5:00 A.M., and as you are well aware, cannot
be changed at this time, but hope that as you go along
with your endeavors, you will at times get a better

Again thanking you for your interest
and good wishes for our achievements, beg to remain,

Very truly yours,
