Dear Mr. Brauner:

Though you don't need a verification from JVB, a letter as nice as yours can't go unacknowledged. Thanks.

The information about us not fading was interesting, since most of the other replies stated our sign on and sign off were strong but suffered bad fading in the middle.

As for CMBQ, when the kw. goes in during the next couple weeks, perhaps they won't give us such a bad time for the next show.

Thanks again for the fine letter.

Very truly yours,

Daniel M. Long
