Dear Mr. Brauner:

Thank you very much for the nice letter on reception of our station. Our sign on announcer verified the material you received.

As we have only been on the air since the middle of September, we have not yet received many DX reports, and yours is the first from New York.

We are using a Gates transmitter and 150 foot tower. Our network affiliation is Mutual. Thank you again and best of luck in future DX listening.

Very truly yours,

Duane F. McConnell
