Mr. J.W. Brauner
23 Howard Avenue
Williamsville 21
N.Y.

Dear Mr. Brauner:

This is to verify your report of our broadcast of February 1, 1947.

I am sorry that you had so much trouble up in Williamsville with interference from WJLB and "old man winter!" However you did well to pick up our 250 watts at such a distance with adverse conditions.

Thanking you again for your report,

Howard C. Jewett
Chief Engineer
WDAR
