10 July, 1951

Dear Mr. Brauner;

My apologies for not answering your letter sooner, but as you probably know there is quite a bit of work attendant to the opening of a new broadcast station and for the time we have been open we have been shorthanded as to help.

It is indeed a pleasure to verify your reception of our station and hope that you will let me know if you should hear us again.

Thank you for your very friendly letter.

Very truly yours

Carlton Shy Jr.
