Dear Sir:

Thanks very much for your letter of October 30th, and also
thanks very much for the snapshot.

I had an idea that you were younger than you are, but you
appear to be in the same category as myself. I don't know
whether you have gotten into the grandfather stage or not,
but I have, and if you haven't, about the only thing I can
hope for is that you will some day.

By the way, I am sending you a couple of snapshots of the
Station. Sorry I don't have one of myself, but these photo-
graphs you can use to further paper the walls of your shack.

About the DX program, we'll be ready most any Sunday morning
to put on a show for the DX hounds, and I might add that my
voice will clutter up the ether a little bit, and some for
your especial benefit.

Cordially yours,

A. LYNNE BRANNEN,
Station Director
