

Nov. 20, 1938.

Mr. J. W. Brauner,
Williamsville,
N. Y.

Dear Sir:

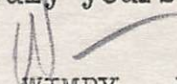

Even though you stated in your letter of November eleventh that it would not be necessary for us to verify, I want to take this opportunity to thank you for your fine report.

Letters such as yours mean much to a station, and we certainly appreciate them. We are proud of our little hundred-watter and always are trying to improve it.

For your information, the five-pound box of Georgia Pecans were won by Arthur Child, San Francisco, California.

Thanks again for your letter.

Very truly yours,

H. WIMPY, WPAX.
