Dear Sir:

This is to verify your DX report of April 11, 1948.

Your information concerning the April 10, 1948 test broadcast of WQXI was authentic in content. We also tested on Sunday morning, April 11, 1948, so it is probable that you did identify us.

We appreciate your courtesy in this matter and your interest in our new station.

Very truly yours,

Bill Lange
Chief Engineer
