March 28, 1946

Mr. J. W. Brauner  
17 Spring St.  
Williamsville, 21, N.Y.

Dear Mr. Brauner:

We at KDTH received, with pleasure, your sincere "note of thanks" for presenting a DX program for the National Radio Club, on Saturday morning, March 16, 1946.

Even though weather conditions for good radio reception were "poor" throughout the country at that time, we consider the DX program fairly successful. More than forty reports have been received from 15 states, plus Canada, the farthest coming from Vallejo, California.

KDTH plans another DX program next season when weather conditions are more suitable for reception. We thank you and all of the NRC for the full cooperation with this program.

Yours sincerely,

RADIO STATION KDTH
