IOWA GREAT LAKES BROADCASTING CO.

1240 KC.

SPENCER, IOWA

November 17, 1942

Mr. J. W. Brauner  
17 Spring Street  
Williamsville, New York

Dear Mr. Brauner:

Thank you for your report of reception of KICD on the morning of November 15, 1942.

This is just a new station. We have been on the air only a week and surely do appreciate knowing that we are being received so well in New York State. That station WJW must be putting out a powerful signal as we hear them well out here and so many of our reports mention interference from that station. We were glad to know that we are holding our own against them. We are using 100 watts power with 150 foot wind charger vertical antenna.

All of the members of our staff appreciate your very complete report and Mr. Rasmussen, the announcer, asks me specially to thank you for the nice words which you had to say about his work.

We hope you hear us frequently and we'll try to cover up WJW once in a while for you.

Yours respectfully,

KICD
