Mr. J. W. Brauner,
23 Howard Avenue,
Williamsville, 21, N. Y.

Dear Mr. Brauner:

Many thanks for your most interesting and detailed letter reporting reception of KOKX during our special broadcast on the morning of December 6th. Your report checks completely with our log of that date and we're very happy to verify your reception of our station.

We're reusing RCA equipment thruout, with a 250L transmitter feeding a 330' Wincharger tower.

The staff here has been very well satisfied with the results of the special program, and we're all looking forward to another in the near future.

W3,

Walton W. Wilson
Walton W. Wilson,
Chief Engineer.
