Dear Mr. Brauner

This letter is in regards to yours of Jan 6 1950.
We wish to thank you for your DX and to VERIFY it for
you at this time

KWBG started a regular broadcast schedule on Sunday,
January 15, 1950 . We are a daytime station at the
present time with plans now pending for night time
operation. We are, so to speak, a General Electric
station as our transmitter, console, remote equipment,
etc are of the G.E. make. Our antenna system is a one
tower job, 185 feet high. the transmitter is located
about three miles south of Boone , Iowa.

Thanking you for your correspondence.....

Yours very truly,

Dale L. Burgé
