

Radio **KWVY** Station

Cedar Valley Broadcasting Company

*Waverly, Iowa*

1000 WATTS

1470 KILOCYCLES

October 15, 1958

Mr. J. W. Bruner  
P. O. Box 22  
Valier, Pennsylvania

Dear Mr. Bruner:

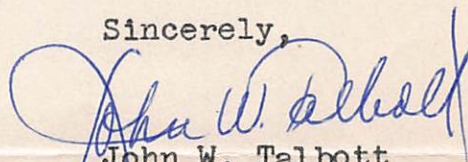

Thank you for your letter of October 5, informing us that you heard KWVY between 12:50 and 1:00 AM, CST, during our monthly test, Friday October 3rd.

KWVY is located in Waverly, Iowa and operates on 1470 KC, with a power output of one thousand watts. We were using music between remarks.

We are a comparatively new station, operating since May 6, 1958. Our equipment is the latest HI-FI RCA.

Again, thank you for your letter and kind remarks.

Sincerely,

  
John W. Telbott  
Manager
