Dear Mr. Brauner:

I'm sorry you missed most of the program on the morning of Nov. 24. However, you named the last selection of music correctly, and I was interested in your information on signal strength. KTFI was operating on 1 kw. from 2:00 to 2:20AM MST and on 5 kw. from 2:20 to 2:31AM.

I am happy to verify your reception of KTFI during the last few minutes of the test program.

Very truly yours,
