THE VOICE OF SOUTHERN
WISCONSIN & NORTHERN ILLINOIS

April 29, 1953

Mr. J. W. Brauner
23 Howard Ave
Williamsville 21, N. Y.

Hi:

It was a pleasure to hear from you again with another signal report. There is ~~no~~ question but what you heard WEKZ on the 25th. The voice you heard was myself. I was making distortion measurements and frequency runs on the equipment.

You mentioned that you liked old time music. You should live around here, as anyone including the teen-agers that doesn't like that type of music is looked upon as being "a bit odd". Every Saturday nite an old time band such as Whoopee John, The Six Fat Dutchmen, etc play here in person. The floor is always crowded. Whenever there happens to be an orchestra playing popular music the crowd is always small. As a result, you can guess what type of music WEKZ has in the majority.

No doubt you will be hearing us again sometime in the "wee small hours". If you do, I will be looking forward to another report. You would never guess that I took a typing course to look at this letter.

Very truly yours,

Rex N. Eyler, ch engr.
