Dear Mr. Brauner:

We have your very nice letter with complete reports of our broadcast of October 25 and want to thank you for writing. This, by the way, was one of the first tests made by WFRL, and we are very pleased to learn you had such a good signal.

Our regular broadcasts began on Tuesday, October 28th and we are on the air day-light hours only. Hoping to hear from you again, I am,

Sincerely yours,

Vincent S. Barker
