Dear Sir,

I was very much interested in your reception report, which I am pleased to verify. We apparently did get out pretty well, since I have received 76 reports from all over the U. S., Canada and New Zealand. Our Transmitter is pretty old and our tower is only 110 feet tall, but must be the good ground system. I received some reports of excellent reception from New Jersey, New York, Rhode Island, Vermont and Massachusetts, as well as Florida, Texas, Georgia, Kansas, New Mexico, California, Oregon and Washington.

Sincerely yours,
