Mr. J. W. Brauner
23 Howard Ave.
Williamsville 21, N. Y.

Dear O.M.,

Thnaks very much for your report of June 25 of the signals received from KAI.

It is very gratifying to know that our powerful little 250 watter is getting into Williamsville with the signal strength you noted and with such good quality. Was specially interested in your comparison of our sig with some of the 1000 watters much nearer your QRA.

Thanks again for your report and CUL.
